

arbcombo -- November 14, 2013 - Emissions Market Assessment Committee (EMAC) Meeting (sent 10-8-13)

The Emissions Market Assessment Committee (EMAC), an advisory group of academic economists established by the California Air Resources Board (ARB), will hold a public meeting on Thursday, November 14, 2013. This meeting will provide a forum for discussion between the EMAC members and interested stakeholders on issues related to the design and operation of the California Cap-and-Trade Program and its associated markets. Specific topics for this meeting include discussion of an allowance price ceiling, double-sided auctions, information release by ARB, and holding and purchase limits. Discussion papers on these topics will be posted by November 8, 2013 at the web link below. The agenda for the November 14 meeting will be posted during the week of November 4, 2013.

DATE: Thursday, November 14, 2013

TIME: 10:00 am to 4:00 pm

LOCATION: Coastal Hearing Room
Cal/EPA Headquarters Building
1001 I Street
Sacramento, CA 95812

ARB established the EMAC through an interagency agreement with the University of California, Berkeley. The EMAC provides expert analysis and advice to ARB through periodic public meetings and regular consultations with staff. Interested stakeholders are invited to submit comments and questions to the EMAC at any time using the "Submit Comments" link on the EMAC web page (web link provided below).

All interested stakeholders are invited to attend. The meeting will be webcast. Stakeholders viewing by webcast will have the opportunity to submit comments and questions to the EMAC during the meeting through e-mail.

For more information including meeting documents and directions for accessing the webcast, the EMAC web page can be reached at the following link:
