

Parts List for the ESW CleanTech Skyline System

Relating to Executive Order Series DE-14-002

Effective Date: April 21, 2014

Page 1 of 2

Item #	Qty	Part Number	Description
1	1	CJF-__ __ - __-SK or CJF-__ __ - __ or CJF-001-EPF* CJF-101-EPF* CJF-201-EPF* CJF-203-EPF*	Diesel particulate filter assembly CJF-<filter supplier><attachment type>-<unidirectional flow flange> o Where filter supplier: 10 = Ibdien 20 = Liqtech 36 = TYK o Where attachment type: 1 = double 3 = single o Where unidirectional flow flange: A = Welded ring B = Integrated
2	1	CJ__ - __-AP__	Cone, inlet CJ<pipe size, inlet orientation>-<exhaust pipe connection type>-AP<access port position> o Where pipe size: 3, 3.5, 4, 4.5, 5, 5.5 or 6 o Where inlet orientation: varies with configuration o Where exhaust flange: P = plain, S = swaged, F = stack breaker o Where access port location: degrees from weld seam
3	1	CHZ-OCJ__ __ - __	Cone, outlet CHZ-OCJ<exhaust pipe size><outlet configuration>-<exhaust pipe connection type> o Where pipe size: 3, 3.5, 4, 4.5, 5, 5.5 or 6 o Where outlet orientation: varies with configuration o Where exhaust flange: P = plain, S = swaged, F = stack breaker
4	1	CEPFM-JHTR-__ - __	Heater module CEPFM-JHTR-<varies with configuration>-<system voltage> Where system voltage: 208 or 240
5	1	CMA-4	Sensor, thermocouple
6	1	CMKS-5.0B or CMKS-6.0__	MLC (electronic control unit) CMKS-<version><varies with configuration>
7	1	CUE-45	Sensor, Backpressure
8	1	CCB3-1-__ __ __ - __	Controls Box CCB3-1-<power wire length><heater wire length><air pump wire length>-<conduit fitting> o Where power wire length varies with configuration o Where heater wire length varies with configuration o Where air pump wire length varies with configuration o Where conduit fitting: 00, 45, 90
9	1	CEPFM-AC2-__	AC module CEPFM-AC2-<varies with configuration>
10	1	CPB1-__	Air pump CPB1-<varies with configuration>
11	1	CUH-2501-1K	Label, Verification, Skyline Two included (1 for installation at controls box, 1 for

			installation on engine)
12	2	CJV	Kit, clamp ring
13	1	CJVS	Kit, ring and seal
14	1	CEPFM-SL-1__	AC plug w/ conduit grip CEPFM-SL-1<varies with configuration>
15	1	CEPFM-SL-2__	AC receptacle w/ shunt CEPFM-SL-2<varies with configuration>

* New installations of the Skyline system with filters using these legacy part numbers are not permitted as of January 1, 2010.
