Relating to Exemptions Under Section 27156  
of the California Vehicle Code

Granatelli Motor Sports, Inc.  
Granatelli Coil Near Plug Ignition Coil and the Granatelli Coil On Plug Coil

Pursuant to the authority vested in the California Air Resources Board by Section 27156 of the Vehicle Code; and

Pursuant to the authority vested in the undersigned by Section 39515 and Section 39516 of the Health and Safety Code and Executive Order G-14-012;

IT IS ORDERED AND RESOLVED: That the installation of the Granatelli Coil Near Plug Ignition Coil and the Granatelli Coil On Plug Coil, manufactured and marketed by Granatelli Motor Sports, Inc., 1000 Yarnell Place, Oxnard, California, 93033, has been found not to reduce the effectiveness of the applicable vehicle pollution control systems and, therefore, is exempt from the prohibitions of Section 27156 of the Vehicle Code for the following vehicle applications listed in Exhibit A.

The Granatelli Coil Near Plug Ignition Coil and the Granatelli Coil On Plug Coil is a new direct fit ignition coil that has been designed to be more durable and a higher energy output than its stock replacement. Installation requires the removal of the stock ignition coil and replaced with the applicable Granatelli Coil Near Plug Ignition Coil or the Granatelli Coil On Plug Coil. There are no user adjustments for proper installation and no other engine part is moved or modified. No changes are made to the ECU calibration with installation. The coils may come in various colors.

This Executive Order is valid provided that the installation instructions for the Granatelli Coil Near Plug Ignition Coil and the Granatelli Coil On Plug Coil will not recommend tuning the vehicle to specifications different from those submitted by the device manufacturer.

Changes made to the design or operating conditions of the Granatelli Coil Near Plug Ignition Coil and the Granatelli Coil On Plug Coil, as exempt by the California Air Resources Board, which adversely affect the performance of the vehicle's pollution control system shall invalidate this Executive Order.

This Executive Order shall not apply to any Granatelli Coil Near Plug Ignition Coil and the Granatelli Coil On Plug Coil advertised, offered for sale, sold with, or installed on a new motor vehicle prior to or concurrent with transfer to an ultimate purchaser.

Marketing of the Granatelli Coil Near Plug Ignition Coil and the Granatelli Coil On Plug Coil using any identification other than that shown in this Executive Order or marketing of the Granatelli Coil Near Plug Ignition Coil and the Granatelli Coil On Plug Coil for an application other than those listed in this Executive Order shall be prohibited unless prior approval is obtained from the California Air Resources Board.
