

State of California
AIR RESOURCES BOARD

Statement of Clarification

As Pertains to Executive Order G-03-005

Relating to the Public Hearing for the Adoption and Amendments to Regulations for the State Ambient Air Quality Standards for Suspended Particulate Matter (PM) and Sulfates

WHEREAS the text of the Final Regulation Order that was originally adopted was incorrect.

IT IS HEREBY ORDERED that the attached Final Regulation Order accurately reflects that which was intended for adoption by the Executive Officer.
