BIBLIOGRAPHY

The following is a list of the documents the staff used in developing the changes to the designation criteria and area designations for State standards documented in this staff report:

1. Classification of Areas of the State as Attainment, Nonattainment, and Unclassified for State Ambient Air Quality Standards for the California Clean Air Act of 1988, California Air Resources Board, April 1989.
2. Revisions to ARB Staff Report dated April 1989, entitled: Classification of Areas of the State as Attainment, Nonattainment, and Unclassified for State Ambient Air Quality Standards for the California Clean Air Act of 1988. California Air Resources Board, June 1989.
3. Proposed Amendment to the Area Designations for State Ambient Air Quality Standards and Proposed Maps of the Area Designations for the State and Natinal Ambient Air Quality Standards. California Air Resources Board, October 1999.
4. Assessment of the Impacts of Transported Pollutants on Ozone Concentrations in California, California Air Resources Board, March 2001.
5. Ozone Transport: 2001 Review, California Air Resources Board, April 2001.
6. Area Designations and Maps 2002, California Air Resources Board, December 2002.
7. Final 2003 Air Quality Management Plan, Chapter 5: Future Air Quality, South Coast Air Quality Management District, 2003.
