- (b) Every person in this Category must report: all investments in, income from, and his or her status as a director, officer, partner, trustee, employee, or holder

* With respect to consultants, however, the Executive Officer may determine in writing that a particular consultant, although a "designated person," is hired to perform a range of duties that are limited in scope and thus is not required to comply with the disclosure requirements described in this section. Such determination shall include a description of the consultant's duties and, based upon ~~that~~ the description, a statement of the extent of the disclosure requirements. A copy of the written determination shall be retained at the Offices of the Air Resources Board and made available for public inspection. Nothing herein excuses any consultant from any other provision of this Conflict of Interest Code. (This footnote applies to consultants in all disclosure categories, as indicated by the asterisks in the following sections.)

of any position of management, in any business entity which is subject to any laws of the State of California relating to the control of air pollution from vehicular or non-vehicular sources, or which is subject to any rules or regulations promulgated either by the Air Resources Board or by any local air pollution control district.
