

State of California
AIR RESOURCES BOARD

Executive Order G-99-066

WHEREAS, on November 19, 1998, the Air Resources Board ("Board" or "ARB") conducted a public hearing to consider proposed amendments to the definition and test method sections of the California regulations to include the determination of low vapor pressure-volatile organic compounds (LVP-VOC) in antiperspirants and deodorants, consumer products, and aerosol coating products; and adoption of modifications to ARB Method 310 to include the determination of low vapor pressure-volatile organic compounds (LVP-VOC) in consumer products;

WHEREAS, following the public hearing, the Board adopted Resolution 98-54, in which the Board approved the amendment of Title 17, California Code of Regulations, sections 94506, 94506.5, 94508(a)(78), 94515 and 94526, and the amendment of ARB Method 310, as set forth in Attachments A, B and C thereto;

WHEREAS, Resolution 98-54 directed the Executive Officer to adopt the amendments, after making the modified regulatory language and additional supporting documents and information available for public comment for a period of 15 days, provided that the Executive Officer shall consider such written comments regarding the modification and additional documents supporting any information as may be submitted during this period, shall make modifications as may be appropriate in light of the comments received, and shall present the regulations to the Board for further determination if he determines that this is warranted;

WHEREAS, the approved regulations were made available for public comment for a period of 15 days, with the changes to the originally proposed text clearly indicated, in accordance with the provisions of Title 1, California Code of Regulations, section 44; and

WHEREAS, the written comments received during this 15-day comment period have been considered by the Executive Officer and do not require modification nor reconsideration by the Board of the approved regulations.

NOW, THEREFORE, IT IS ORDERED that the recitals and findings contained in Resolution 98-54 are incorporated by reference herein.

IT IS FURTHER ORDERED, that the regulatory amendments adopted herein, and any additional documentation identified as necessary for approvability under the federal Clean Air Act and United States Environmental Protection Agency (U.S. EPA), be forwarded to the U.S. EPA for inclusion in the State Implementation Plan for Ozone, immediately following approval by the Office of Administrative Law.

NOW, THEREFORE, IT IS ORDERED, in accordance with Resolution 98-54 and Health and

Safety Code section 41712, that Title 17, California Code of Regulations, sections 94506, 94506.5, 94508(a)(78), 94515 and 94526, and the amendment of ARB Method 310 are adopted, as set forth in Attachments 1 and 2 hereto.

Executed this ____ day of _____, 1999, at Sacramento, California.
