DISCUSSION ITEMS:

Note: The following agenda items may be heard in a different order at the Board meeting.

Agenda Item #

15-3-1: Fifth Annual Report from the Office of the Ombudsman 2014

Staff will present to the Board a report on the enhancements to the Air Resources Board's (ARB) Ombudsman's Office that have occurred during the last five years and provide a look at the focus areas going forward. The Ombudsman has shaped the office into a more collaborative and proactive force for connecting with California small business owners and related stakeholders and engaging them on ARB policies and regulations.

15-3-2: Public Hearing to Consider Amendments to Certification Procedures for Vapor Recovery Systems at Gasoline Dispensing Facilities: Aboveground Storage Tanks and Enhanced Conventional Nozzles

Staff will present to the Board proposed amendments to the gasoline vapor recovery regulations. These amendments would establish new performance standards and specifications for nozzles used at fleet facilities that exclusively refuel vehicles equipped with onboard vapor recovery systems, would provide regulatory relief for owners of certain existing aboveground storage tanks, and would ensure that mass-produced vapor recovery equipment matches the specifications of equipment evaluated during the Air Resources Board certification process.

15-3-4: Update to the Board on Sustainable Freight Strategy

Staff will present to the Board an update on the development of the California Sustainable Freight Strategy, including potential integration with other State freight planning efforts. This update will focus on a discussion document released before the meeting that describes actions staff is considering to reduce emissions from California's freight system and move toward zero or near-zero emissions.
