AIR RESOURCES BOARD

Resolution 76-17

March 30, 1976

WHEREAS, several research proposals have been submitted to the Air Resources Board in response to the Board's request for proposals entitled "Control of Hydrocarbon Emissions from Stationary Sources in the South Coast Air Basin" issued in September 1975;

WHEREAS, the Research Screening Committee has carefully reviewed and evaluated these proposals; and

WHEREAS, the Research Screening Committee has recommended for funding the proposal:

ARB Proposal Number 501-34 submitted by KVB Engineering, Inc. entitled "Control of Hydrocarbon Emissions from Stationary Sources in the South Coast Air Basin" in the amount of \$499,880;

NOW, THEREFORE, BE IT RESOLVED, that the Air Resources Board hereby approves the proposal:

ARB Proposal Number 501-34 submitted by KVB Engineering, Inc. entitled "Control of Hydrocarbon Emissions from Stationary Sources in the South Coast Air Basin" in the amount of \$499,880,

and authorizes the Executive Officer to initiate administrative procedures and to execute all necessary documents and contracts for the research effort proposed in an amount not to exceed \$499,880.
