

State of California

AIR RESOURCES BOARD

July 26, 1976

Resolution 76-33

WHEREAS, the Air Resources Board, by direction of the Governor in Executive Order No. B-6-75 and pursuant to Administrative Order No. 75-2, issued jointly by the Air Resources Board and the Office of Emergency Services, has adopted the California Air Pollution Emergency Plan;

WHEREAS, the Air Resources Board is the state agency charged with the responsibility to prepare, direct and execute the Air Pollution Emergency Plan;

WHEREAS, on May 28, 1976, the Board amended the Air Pollution Emergency Plan to establish additional criteria for sulfate-oxidant, and for sulfur dioxide-oxidant episodes but postponed the establishment of abatement actions for the aforesaid episodes until after the receipt of more data and information from the public and the affected industries;

WHEREAS, the Board and its staff have conducted two workshops to obtain data and information on abatement actions for the aforesaid episodes;

WHEREAS, the Board has identified abatement actions for the aforesaid episodes which are necessary and reasonably feasible;

WHEREAS, the Air Resources Board has complied with all public hearing and notice requirements of state and federal law;

NOW, THEREFORE, BE IT RESOLVED, that the Air Resources Board does hereby amend the Air Pollution Emergency Plan, as revised July 26, 1976.
