

State of California
AIR RESOURCES BOARD

Resolution 83-1

March 10, 1983

Agenda Item No.: 83-2-4

WHEREAS, THE Air Resources Board is vested, under Section 39705 of the Health and Safety Code, with authority to appoint a Research Screening Committee composed of up to nine members with expertise in specified technical areas;

WHEREAS, there now exist, as a result of resignations, two vacancies on the Research Screening Committee;

WHEREAS, Alvin S. Gordon, Ph.D., Professor of Engineering at the University of California, San Diego, is a recognized expert in research in the fields of chemistry and combustion;

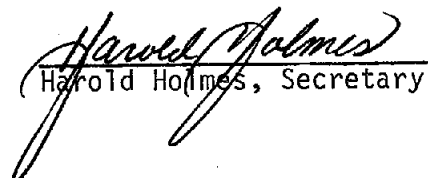

WHEREAS, Dr. Gordon served with distinction as Chairman of the Research Screening Committee during his tenure as a Member of this Board; and

WHEREAS, Dr. Gordon has a full and complete understanding of the Board's research program and its importance to the Board's regulatory responsibilities;

NOW, THEREFORE, BE IT RESOLVED that the Air Resources Board hereby appoints to full membership in its Research Screening Committee the following person, who has been found to meet all of the requirements set forth in Section 39705 of the Health and Safety Code:

Alvin S. Gordon, Ph.D.
Adjunct Professor of Engineering
University of California, San Diego

I certify that the above is a true and correct copy of Resolution 83-1 as passed by the Air Resources Board.

Harold Holmes, Secretary

State of California
AIR RESOURCES BOARD

ITEM: Appointment of a new member to the Research Screening Committee

RECOMMENDATION: Adopt Resolution 83-1 appointing Alvin S. Gordon, Ph.D. to the Research Screening Committee.

SUMMARY: Chairman Duffy has asked Dr. Alvin S. Gordon, former member of this Board, to serve as a member of the Board's Research Screening Committee; Dr. Gordon has agreed to serve. Dr. Gordon served as Chairman of the Research Screening Committee for the period 1976-1982, during his tenures as a Board Member and as a member of the Committee. Staff has reviewed Dr. Gordon's qualifications and determined that he is eminently well qualified under the provisions of Section 39705 of the Health and Safety Code for appointment to the Research Screening Committee.
