

State of California
AIR RESOURCES BOARD

Resolution 87-1

January 23, 1987

WHEREAS, Emil M. Mrak, Ph.D., has served with distinction as Chairman of the Scientific Review Panel on Toxic Air Contaminants from June 1984 to December 1986;

WHEREAS, Dr. Mrak used his extensive experience with scientific review committees to greatly assist and guide the Panel to perform its unprecedented work;

WHEREAS, Dr. Mrak's willingness to serve as Chairman of the Panel has vested the Panel with high esteem and credibility in the eyes of the regulated community, local governments, environmental groups and the public;

WHEREAS, Dr. Mrak, as the Panel's first Chairman, has led the Panel through the difficult process of interpreting the Panel's responsibilities and instituting an expeditious and thorough review process for the substances presented to the Panel;

WHEREAS, under Dr. Mrak's leadership, the Panel has ensured that toxic air contaminants are identified on the basis of scientific evidence and analysis;

WHEREAS, on the basis of Dr. Mrak's and the Panel's work, the Air Resources Board is making substantial progress in the identification and control of toxic air contaminants; and

WHEREAS, Dr. Mrak has made significant contributions to the protection of public health in California through his work on the Panel.

NOW, THEREFORE, BE IT RESOLVED that the Air Resources Board expresses its great appreciation to Dr. Mrak for his service and contributions to the cause of clean and healthy air in California.

State of California
AIR RESOURCES BOARD

Resolution 87-2

January 23, 1987

WHEREAS, Marc B. Schenker, M.D., ^{M.P.H.} Ph.D., has served with distinction as a member of the Air Resources Board's Scientific Review Panel on Toxic Air Contaminants from April 1984 to January 1987;

WHEREAS, his dedication to his work as a member of the Scientific Review Panel has greatly assisted the Board in the successful implementation of the Toxic Air Contaminant Program;

WHEREAS, he has diligently reviewed and commented on all of the reports brought before the Scientific Review Panel;

WHEREAS, using his extensive knowledge of occupational and environmental carcinogens and environmental risk factors for respiratory disease, Dr. Schenker skillfully led the Scientific Review Panel's review of the asbestos report;

WHEREAS, he has exhibited the very finest attributes as a physician, scientist, and public official in carrying out his duties as a member of the the Scientific Review Panel; and

WHEREAS, through his activities with the Scientific Review Panel he has contributed greatly toward improvements in public health for the State of California.

NOW, THEREFORE, BE IT RESOLVED that the Air Resources Board extends its deepest appreciation and thanks to Dr. Marc B. Schenker for his many contributions to environmental protection and the cause of clean air and health in California.
