

State of California  
AIR RESOURCES BOARD

Resolution 88-10  
February 19, 1988

WHEREAS, the Legislature has declared in Health and Safety Code Section 39700 that an effective research program is an integral part of the board-based statewide effort to combat air pollution in California;

WHEREAS, Health and Safety Code Section 39703 directs the Air Resources Board to administer and coordinate all air pollution research funded, in whole or in part, with state funds and to establish objectives for air pollution research in California;

WHEREAS, Health and Safety Code Section 39705 requires the Air Resources Board to appoint a Research Screening Committee to give advice and recommendations with respect to all air pollution research projects funded by the state; and

WHEREAS, the Research Screening Committee has reviewed and approved a Long-Range Research Plan, dated February 1988, for air pollution research in California.

NOW, THEREFORE, BE IT RESOLVED, that the Air Resources Board, pursuant to the authority granted by Health and Safety Code Sections 39600 and 39703, hereby concurs in the recommendation of the Research Screening Committee and approves the Long-Range Research Plan for air pollution research in California.

I hereby certify that the above is a true and correct copy of Resolution 88-10, as adopted by the Air Resources Board.
