Presents

Transport Refrigeration Units (TRUs) ATCM, Course #507

The Airborne Toxic Control Measure (ATCM) for In-Use Diesel-Fueled Transport Refrigeration Units (TRUs) became effective **Dec. 10, 2004**. This approximately 3-hour presentation will show both TRU facilities and TRU owner/operators who are affected, what they need to do to comply and by what date must they be in compliance.

This course is also being webcasted. If you are interested in taking the course via the internet, please indicate that when you register for the course. If you do not have the capability to receive this signal, please call the registrar to arrange to have the proper equipment and course materials shipped to you prior to the class.

February 18, 2009

9:00 AM - 12:00 PM

**California Air Resources Board
1001 I Street, 5th floor (Training Room 5)
Sacramento, CA 95814**
