Subject: Use of Biogas in animal agriculture Comment:

California has more industrial dairies than any other state, polluting our rivers, depleting our groundwater, and emitting disastrous greenhouse gasses. Now, factory farm polluters claim they are environmentally friendly because they produce "biogas." I do not approve using our tax dollars to fund this harmful greenwashing

Subject: Proposed Low Carbon Fuel Standard Amendments Comment:

California has more industrial dairies than any other state, polluting our rivers, depleting our groundwater, and emitting disastrous greenhouse gasses. Now, factory farm polluters claim they are environmentally friendly because they produce "biogas." Even worse, they are using our tax dollars to fund this harmful greenwashing.
