Good evening, my name is Ryne Shetterly and I work for TCI based here in California. I've had a question come across that I would like some clarification on. We are over 50 units and meet the revenue threshold. Here is our question, is TCI subject to acf %'s based off entire fleet size(including vehicles that are leased) and outside of CA?

Please advise. Should you have any additional questions, please call me at 9099547530
