Hello Callie,

By all means, please go ahead and add it to the public section. I have no objection to that.

Thank you.

Hello,

I am reaching out on behalf of Autumn Collins with Colusa/Glenn County Farm Supply. They are beginning the process of complying with the Advance Clean Flee Regulations and transitioning into Zero Emission Vehicles (ZEVs). I was hoping to get some more information on funding assistance opportunities outside of Moyer or FARMER, as Moyer is closed for the year, and they are not eligible for FARMER (Doesn't meet Ag Definition). Could you provide some resources, or links to resources for those types of funds that CARB may offer if there are any available. Thank you for any assistance you can provide.

Respectfully,
Gerald Peters
