Hello CARB, I hope all is well and you're having a great day.

My name is Joaquin Vergara and I work for a company that maintains 7 Tractor Trailers in the county of Los Angeles.

I have a question regarding the implementation process of the ZEV mandate and was hoping to get in touch with someone for further guidance.

How do I go about finding out more information regarding phaseout of old units, what and what's not considered grandfathered in, deadlines, etc.

I tried researching www.ca.gov for information, however it's giving the details I'm looking for.

Can someone please reach out to me at your earliest convenience?

My contact information is below.

Thank you – Take care and have a safe day.
