Thank you Amber!

Good afternoon Jesica,

To Amber's note, I am hoping to possibly get a few minutes of your time to review some of the issues we're having in regard to the Port Registry deadline in January and if CARB could possibly offer an extension or had any recommendations to help us maintain compliance as we continue developing our ZEV transition.

I would be open to a call at any time at your convenience,

Thanks!

Jay Mason
Vice President of Equipment Services
Universal | Maintenance
Universal Logistics Holdings, Inc.
