EXECUTIVE ORDER D-402  
Relating to Exemptions Under Section 27156  
of the Vehicle Code

AERO ENTERPRISES  
REPLACEMENT FUEL TANK STOCK NO. DCV 20

Pursuant to the authority vested in the Air Resources Board (ARB) by Section 27156 of the Vehicle Code; and

Pursuant to the authority vested in the undersigned by Sections 39515 and 39516 of the Health and Safety Code and Executive Order G-45-9;

IT IS ORDERED AND RESOLVED: That the installation of the replacement fuel tank, stock no. DCV 20, manufactured by AERO Enterprises of 1820 Wild Turkey Circle, Corona, California 91720, has been found not to reduce the effectiveness of the applicable vehicle pollution control system, and therefore, the device is exempt from the prohibitions of Section 27156 of the California Vehicle Code for installation on 1996 model-year Chrysler Corporation 3.3 and 3.8 liter Dodge Caravans. This exemption excludes those vehicles that have been certified to the Enhanced Evaporative Emission Standards.

This Executive Order is valid provided that installation instructions for the replacement fuel tank not recommend tuning the vehicle to specifications different from those of the vehicle manufacturer.

Changes made to the design or operating conditions of the replacement fuel tank, as exempt by the ARB, which adversely affect the performance of a vehicle's pollution control system, shall invalidate this Executive Order.

Marketing of the replacement fuel tank using an identification other than that shown in this Executive Order or for an application other than those listed in this Executive Order shall be prohibited unless prior approval is obtained from the ARB.

In addition to the foregoing, the ARB reserves the right in the future to review this Executive Order and the exemption provided herein to assure that the exempted add-on or modified part continues to meet the standards and procedures of California Code of Regulations, Title 13, Section 2222, et seq.

This Executive Order does not constitute any opinion as to the effect the use of the replacement fuel tank may have on any warranty either expressed or implied by the vehicle manufacturer.

THIS EXECUTIVE ORDER DOES NOT CONSTITUTE A CERTIFICATION, ACCREDITATION, APPROVAL, OR ANY OTHER TYPE OF ENDORSEMENT BY THE AIR RESOURCES BOARD OF ANY CLAIMS OF THE APPLICANT CONCERNING ANTI-POLLUTION BENEFITS OR ANY ALLEGED BENEFITS OF AERO ENTERPRISES' REPLACEMENT FUEL TANK, STOCK NO. DCV 20.
