

State of California  
AIR RESOURCES BOARD

EXECUTIVE ORDER D-504  
Relating to Exemptions Under Section 27156  
Of the vehicle Code

ZEPPELIN PRODUCTS  
FUELSAVER 2000

WHEREAS, Vehicle Code Sections 27156 and 38391, and Title 13, California Code of Regulations (hereafter "CCR") Section 2222(e), authorize the California Air Resources Board (ARB) and its Executive Officer to exempt add-on and modified aftermarket devices from the prohibitions of Vehicle Code Section 27156.

WHEREAS, Zeppelin Products of 24 Sixth Place #202, Long Beach, California 90802, has applied to the ARB for exemption from the prohibitions in Vehicle Code Sections 27156 and 38391 for Fuelsaver 2000, manufactured by Success Fuels 2000 (Pty) Limited.

WHEREAS, pursuant to the authority vested in the Executive Officer by Health and Safety Code Section 39515 and in the Chief, Mobile Source Operations Division by Health and Safety Code Section 39516 and Executive Order G-45-9, the ARB finds that:

1. The Fuelsaver 2000 is an add-on device installed around the fuel line in a motor vehicle.
2. The Fuelsaver 2000 is intended for use with a required motor vehicle pollution control system.
3. The Fuelsaver 2000 by being installed around the fuel line alters the original design of a motor vehicle pollution control system.
4. The Fuelsaver 2000 is a device subject to the prohibitions of Vehicle Code Section 27156 and an add-on part as defined by Title 13, CCR Section 1900 (b)(1).
5. The Fuelsaver 2000 does not reduce the effectiveness of any required motor vehicle pollution control system.
6. The ARB, in exercise of technical judgement, is aware of no basis on which the Fuelsaver 2000 will provide either a decrease in emission or an increase in fuel economy.
7. It has not been determined what effect the use of the Fuelsaver 2000 may have on any warranty; either expressed or implied, by the manufacturer of a motor vehicle on which the device is installed.

8. The Fuelsaver 2000 is not a certified motor vehicle pollution control device pursuant to Health and Safety Code Section 43644.
9. The ARB by granting an exemption to Zeppelin Products for the Fuelsaver 2000 does not recommend or endorse in any way the Fuelsaver 2000 for emissions reduction, fuel economy, or any other purpose.

IT IS HEREBY RESOLVED that the Fuelsaver 2000 is exempt from the prohibitions of Vehicle Code Section 27156 for installation on 2000 and older model-year vehicles subject to the following conditions:

1. No changes are permitted to the Fuelsaver 2000 device as described in the application for exemption. Any changes to the Fuelsaver 2000, applicable model years, or other factors addressed in this order must be evaluated and approved by the ARB prior to marketing in California.
2. Marketing of the Fuelsaver 2000 without a permanent label showing the Executive Order number or marketing of the Fuelsaver 2000 for an application other than that stated in this Executive Order shall be prohibited unless prior approval is obtained from the ARB. Exemption of this product shall not be construed as an exemption to sell, offer for sale, or advertise any components of the Fuelsaver 2000 as an individual device.
3. Any oral or written references to this Executive Order or its content by Zeppelin Products, its principals, agents, employees, distributors, dealers, or other representatives must include the disclaimer that the Executive Order or the exemption it provides is not an endorsement or approval of any emissions reduction claims for the Fuelsaver 2000 and is only a finding that the Fuelsaver 2000 is exempt from the prohibitions of Vehicle Code Section 27156.
4. This exemption shall not apply to any device, apparatus, or mechanism advertised, offered for sale, sold with, or installed on a motor vehicle prior to or concurrent with transfer to an ultimate purchaser.
5. No claim of any kind, such as "Approved by the Air Resources Board" may be made with respect to this Executive Order in any advertising or other oral or written communication.

THIS EXECUTIVE ORDER DOES NOT CONSTITUTE A CERTIFICATION, ACCREDITATION, APPROVAL, OR ANY OTHER TYPE OF ENDORSEMENT BY THE AIR RESOURCES BOARD OF ANY CLAIMS OF THE APPLICANT CONCERNING ANTI-POLLUTION BENEFITS OF THE FUELSAVER 2000.

EXECUTIVE ORDER D-504  
(Page 3 of 3)

Violation of any of the above conditions shall be grounds for revocation of this order. The order may be revoked only after ten day written notice of intention to revoke it, during which period the holder of the order may request in writing a hearing to contest the proposed revocation. If a hearing is requested, it shall be held within ten days of receipt of the request, and the order may not be revoked until a recommendation is made, after the hearing, that grounds for revocation exist.

Executed at El Monte, California, this 23<sup>rd</sup> day of August 2000.

A handwritten signature in black ink, appearing to read "R.B. Summerfield", written over a horizontal line.

R.B. Summerfield, Chief  
Mobile Source Operations Division
