applicant or manufacturer.

6. Device Name (s)
7. Briefly describe the purpose of the device

8. Briefly describe the operation of the device

9. List vehicle names, model year, engine displacements and systems that are compatible with the device, and for which exemption is requested. Specify the correct device model for each vehicle.

10. The following information is required for the Air Resources Board (ARB) to complete an evaluation. Please place a check mark next to the items that are **enclosed** with the application and provide an explanation for items that are not checked.
- (a)___ A detailed description of the device including operating principles, cross-sectional drawing, electrical schematics, and other such material to assist the staff in understanding its operation.
 - (b)___ Copies of all advertising material to be used in selling devices including a sample or facsimile of the packaging label. (Optional)
 - (c) ___A copy of the installation and adjustment instructions and drawings that will be included with the device.
 - (d)___A facsimile or prototype of the identification plate or label to be attached permanently to or imprinted on or near each device offered for sale. The plate or label should be placed such that it is visible after the device is installed, and should contain:
 - i) the manufacturers name
 - ii) the device name and model number
 - iii) the Air Resources Board exemption number identified as
ARB E.O. No. D-XXX.
 - (e)___A facsimile or prototype engine compartment plate or label located adjacent to, but not covering, the vehicle manufacturers Vehicle Emission Control Information (tune-up) label. This plate or label is only required if a change is recommended to vehicle manufacturers tune-up parameters. In addition to the recommended tune-up parameter changes, the plate or label must contain the same information as the device label.
 - (f)___ A list of the companies or persons that will manufacture the device under license.
11. The ARB may require one or more devices for testing. Do you agree to provide the device(s) free of costs? ___yes___no. The device(s) will be returned only if return is requested at the time the device(s) are submitted.

Emission Statements

I affirm that to the best of my knowledge this device shall not cause the emission into the ambient air of any noxious or toxic matter that is not emitted in the operation of such motor vehicle without such device.

I understand that an exemption, if granted, does not constitute a certification, accreditation, approval, or any other type of endorsement by the Air Resources Board of any claims concerning alleged benefits of a device. I further understand that no claims of any kind concerning anti-pollution benefits may be made for an exempted device.
