NOTICE OF DECISION NOT TO PROCEED

NOTICE OF PUBLIC HEARING TO CONSIDER REGULATIONS FOR GASOLINE DISPENSING FACILITY HOSES

By notice dated October 14, 2008, and published in the October 24, 2008, California Regulatory Notice Register, Register 2008, No. 43-Z, the Air Resources Board announced it would conduct a public hearing to consider amendments to title 17, California Code of Regulations, section 94011, and an incorporated certification procedure, and the adoption of an incorporated test procedure for gasoline dispensing facility hoses.

PLEASE BE ADVISED the proposed rulemaking action has been withdrawn. A new rulemaking action for gasoline dispensing facility hoses may be undertaken in the future, but a hearing date has yet to be determined. Comments submitted in response to the October 14, 2008 notice will not be included in the administrative record for this future rulemaking action. However, these comments are being considered in the development of the future rulemaking.

Pursuant to Government Code section 11347, publication of this Notice of Decision Not to Proceed hereby terminates the rulemaking action originally noticed on October 24, 2008, in the California Regulatory Notice Register.
