AIR RESOURCES BOARD

Notice of Decision

Project Title: **Amendments to Regulation for the Mandatory Reporting of Greenhouse Gas Emissions**

Project Location: Statewide

Public Meeting Date: December 16, 2010; Agenda Item 10-11-2

Project Description: In accordance with the requirements of AB 32, ARB adopted a greenhouse gas reporting regulation that became effective on January 2, 2009. The amendments to the regulation make revisions necessary to streamline and avoid duplicate GHG reporting and to provide the high quality of data needed to support a market-based cap-and-trade program.

Approved By: Air Resources Board
Executive Order R-11-014
Dated: October 28, 2011

This notice is to advise that ARB, as the lead agency, has adopted the above described regulatory action on October 28, 2011 and has determined that the regulatory action will not have a significant adverse effect on the environment (see attached Executive Order R-11-014).

There were no comments received identifying any significant environmental issues pertaining to this item. No findings, mitigation or statement of overriding considerations were adopted.

A copy of Staff Report: Initial Statement of Reasons and the Final Statement of Reasons are available at the ARB rulemaking webpage at:
