

This erratum corrects the list of references in section XII of the Staff Report. The version of the Staff Report mailed by ARB to its interested parties list did not include the Technical Support Document as a reference. The Staff Report made available on this page and submitted to the Office of Administrative Law does include the Technical Support Document as a reference. The Technical Support Document itself is also available on this page.

Posting date for erratum: June 19, 2003
